Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Monday 19 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny and settled through Monday evening. Warm overnight.

This Evening and Tonight:
The slight risk of any odd sharp shower remains into early evening, before cloud clears for another clear, dry night. Patchy fog is possible for prone areas. Remaining quite warm. Minimum temperature 15 deg C (59 deg F).

Tuesday:
Another fine and largely dry day, with plenty of sunshine and some fair-weather cloud. Isolated heavy, possibly thundery showers may develop through the afternoon. Feeling hot again. Maximum temperature 32 deg C (90 deg F).

Outlook for Wednesday to Friday:
Hot Wednesday and Thursday, with lots of clear skies and sunny spells. Risk of a few sharp afternoon showers throughout. Cloudier and slightly cooler than recent on Friday, rain overnight.
